GOLF Livada MORAVSKE TOPLICE

The Livada Golf Course in Moravske Toplice is a stunning 18-hole course that offers a unique golfing experience in the heart of Slovenia's Prekmurje region. Established in 2005, this course is situated in the charming spa town of Moravske Toplice, at the edge of the vast Pannonian Plain. Stretching across 6,236 meters (6,819 yards) with a par of 72, Livada Golf Course is known for its signature 596-meter par five 9th hole, the longest hole in Slovenia. This challenging and beautifully designed course is dedicated to preserving the natural flora and fauna, offering uniquely-shaped and challenging greens, fairways, and sand bunkers.

The course seamlessly integrates with its surroundings, providing an idyllic setting for golfers. Multiple water hazards strategically guard the greens and fairways, adding to the course's challenge and aesthetic appeal. Livada hosts over 70 events annually, including the prestigious international open championship for amateur players.

Golfers love the challenge of Slovenia's longest fairway and the beautiful scenery of the green plains of Prekmurje. They praise the course's thoughtful design and friendly atmosphere, highlight the fair layout and welcoming staff, and while the course is long, players find it manageable and enjoyable.

All of these elements reflect the great experience at Livada, making it a top choice for your visit.
